

With the construction of light rail on Cedar, the city will effectively be split into two major areas: **east of Cedar, the Lower Town Area**, and **west of Cedar, the Rice Park Area**, as many east/west travel routes will be affected by construction. See map for the light rail construction route in Black. So having a strategy for getting into and out of downtown will be important depending on destination.

Here are some tips that may help with your travel:

#### **From the Southeast to the Rice Park Area**

**Option A:** Take Hwy 10/61 north to 94 West. Take 94 west to the Marion/Kellogg exit. Left on Marion Blvd.. Follow Marion to 7<sup>th</sup> Street. Left on 7<sup>th</sup> Street to downtown parking facilities.

#### **From the Southeast to the Lower Town Area**

**Option A:** Take Hwy 10/61 north to I94 . Take 94 west to the Kellogg Blvd/Mounds Blvd exit. Left on Kellogg Blvd.. Follow Kellogg Blvd. to downtown parking facilities.

**Option B:** Take Hwy 10/61 north to I94 . Take 94 west to the 6<sup>th</sup> Street exit. Follow 6<sup>th</sup> Street to downtown parking facilities.

**Option C:** Take Hwy 10/61 north to I94 . Take 94 west to the Kellogg Blvd/Mounds Blvd exit. Continue on Mounds Blvd. to 7<sup>th</sup> Street. Left on 7<sup>th</sup> to downtown parking facilities.

**Option D:** Take 94 west to the 12<sup>th</sup> Street exit. Left on Jackson. Follow Jackson to downtown parking facilities.
